What we love

- Chalet Cairn's location was absolutely perfect for us as a group. Le Fornet is wonderfully laid-back while the chalet itself has a beautiful mountain view.
- The close proximity to the slopes of Le Fornet makes this chalet an ideal location for all groups.
- The open-plan living and dining area, complete with a fireplace, offers a cozy space for relaxation and socializing.

What you should know...

- As Chalet Cairn is a small village set back from Val d'Isère's main activities, the local bus service is very reliable and runs into the night.
- Le Fornet is a quiet mountain village, so if you're looking to enjoy Val d'Isère's famous après-ski scene then this may not be suitable for your group.
