

Chalet Vallon

Region: Espace Killy Sleeps: 12

Overview

Chalet Vallon is a warm and welcoming luxury chalet tucked away in the peaceful hamlet of Le Crêt – a charming and historic corner of Val d'Isère known for its traditional stone chalets, slower pace and uninterrupted mountain views. Just a short walk or shuttle ride from the heart of the resort, it offers a calm, authentic base with easy access to world-class skiing.

Spread across three floors, the chalet sleeps up to 12 guests in six cosy, en-suite bedrooms. Each one blends rustic Alpine charm with comfort and warmth, featuring soft lighting, mountain views and a mix of twin and double configurations to suit families or groups. After a day on the slopes, expect long showers, fluffy towels and a bed you won't want to leave.

The heart of the home is the spacious open-plan living area, where plush sofas and a roaring fire set the scene for slow evenings and good conversation. Floor-to-ceiling windows frame panoramic views of the valley and flood the room with natural light, while the adjoining dining area is a welcoming spot for hearty breakfasts and laid-back suppers. The kitchen is fully equipped with modern appliances and all the essentials for easy self-catering, giving you the flexibility to keep things relaxed and informal.

Outside, a large terrace wraps around the chalet with sweeping views across the snow-covered peaks – perfect for morning coffees or après-ski drinks. A private hot tub adds a touch of indulgence, while the dedicated ski room with heated boot warmers keeps gear dry and ready for the next day.

Blending Alpine character with modern comfort, Chalet Vallon is the kind of place that invites you to slow down, breathe in the mountain air and make yourself at home. Tucked away in one of Val d'Isère's most picturesque enclaves, it offers the perfect balance of tranquillity and access to the action.

Location & Local Information

Chalet Vallon is set in the peaceful hamlet of Le Crêt, just between La Daille and the centre of Val d'Isère, known for its traditional stone chalets and elevated views across the valley. Tucked away from the bustle of the resort centre, it offers a more serene setting while remaining within easy reach of the slopes.

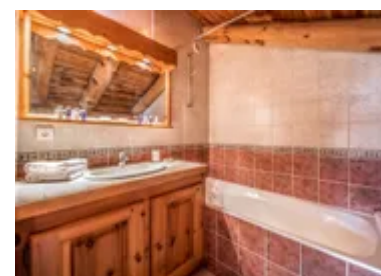

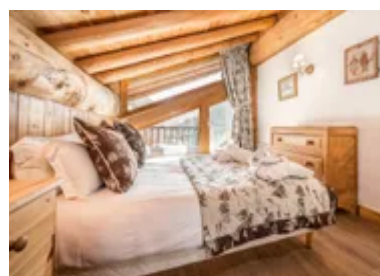

A short walk or complimentary private shuttle bus can take guests directly to the main lifts, granting access to the renowned Espace Killy ski area. With over 300km of pistes spanning Val d'Isère and Tignes, skiers and snowboarders of all levels can enjoy a vast and varied terrain, including challenging black runs, scenic cruisers, and legendary off-piste descents.

Beyond the pistes, winter adventures abound. Snowshoeing routes wind through tranquil forests, while ice climbing offers a vertical thrill for the more daring. Le Crêt's quiet charm provides a welcome contrast to the vibrant energy of central Val d'Isère, which lies just minutes away and offers a selection of restaurants, shops, and après-ski options.

Chalet Vallon is easily accessed by road, with parking on site. For those arriving by air, Geneva and Lyon airports are both around a 2.5-hour drive, making transfers straightforward.

What we love

- There's plenty of room to unwind across three comfortable floors – making it a great choice for both family holidays and getaways with friends.
- Chalet Vallon was the perfect place to take our little ones for their first ski holiday as the laid-back slopes are ideal for learners.
- This property's pricing is based on self-catered rates, if you would like to book this property on a catered basis please visit Chalet Lanie (<https://www.oliverstravels.com/ski/france/espace-killy/val-d-isere/chalet-lanie/>)

What you should know...

- As Chalet Vallon is located outside of the main Val d'Isere resort, make sure to use the included private shuttle to and from the slopes twice daily (8:30–10am & 4–6pm), excluding arrival and departure days.
- Le Crêt is a relatively small hamlet, so if you prefer a bustling resort with lots of slopes and activities, this may not be the ideal location for your group.
- Please note that children under the age of five should not use the hot tub, and older children should not use the tub for long periods of time
