## Overview

Villa Courbet is a chic holiday home nestled in a leafy landscape backed by mountains in l'Île-Rousse on Corsica's northern shores. Sleeping up to 6 people in three bedrooms and boasting a lovely, open-plan living and dining area, this is the perfect base for a family or group of friends seeking to explore the French island's natural beauty.

The interior has been tastefully decorated and furnished with a sense of modernity, thoroughly visible through the choice of designer furniture in the living room. In order to make the most of the incredible views, the living areas are located on the first floor of the home where you can gather together to cook dinner or enjoy drinks on the terrace with staggering sea and garden views. There are three bedrooms elegantly furnished in neutral tones located on the garden level.

The private terrace turns sunset-watching into a daily ritual – and trust us when we say this is the place where to properly indulge in golden hour – so get ready for enjoying most of your meals al-fresco. Enveloped by greenery from every side with bushes of lavender and other herbs, you'll love the unspoiled atmosphere as you sip your morning coffee prior to exploring the island. Step outside the property to be enveloped by Corsica's stunning natural vistas, with a road fringed by cypress trees leading to the beach. Boasting crystal-clear water and chalk-white sand, it makes for an excellent spot where to fully relax.

In the opposite direction, you can visit l'Île-Rousse with all its amenities such as restaurants, bars, cafés and shops, as well as a small harbour offering boat trips, excursions and ferries to neighbouring islands. There's also a public beach to retreat to when the weather becomes unbearable.

## Location & Local Information

Only a 15-minute walk separates you from the sea at Villa Courbet, and the picturesque beach is well known by tourists and locals alike for its relaxed oceanfront featuring a sandy shoreline and turquoise waters. Here you'll also find sea-facing restaurants if you want to tuck into refreshing Mediterranean meals and enjoy sunset aperitifs. Just around the corner across the hill you can also find a water sport rental, with a range of activities available including windsurfing, paddleboarding and kayaking lessons.

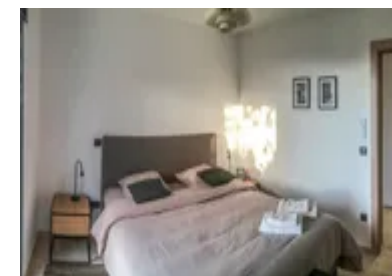

Residential yet masked in a carpet of greenery, the surrounding area has plenty of local amenities such as bakeries, supermarkets and shops, as well as some restaurants. The closest supermarket can also be reached in just a few minutes by car.

Boat trips, cruises and ferries to mainland France and Italy depart from the port at l'Île-Rousse. If you're waiting for your boat's departure and have time to kill, you can discover a historical fortress with pretty coastal views perched on the small peninsula overlooking the harbour. If you prefer exploring the rugged coast via an off-the-beaten path, there are many hiking trails, great for spotting dolphins, turtles and other wildlife from the top of rocky cliffs. Plan d'eau d'Ecotule is another nice walking area with a lake, located just a 20-minute drive away.

Although the island's main draws are its captivating beaches and unspoiled natural landscapes, there are also many picturesque villages of the Balagne hills, scattered across the captivating landscapes of this region, from charming Monticello to beguiling Sant'Antonino, one of France's classified 'Plus Beaux Villages'.
