Location & Local Information

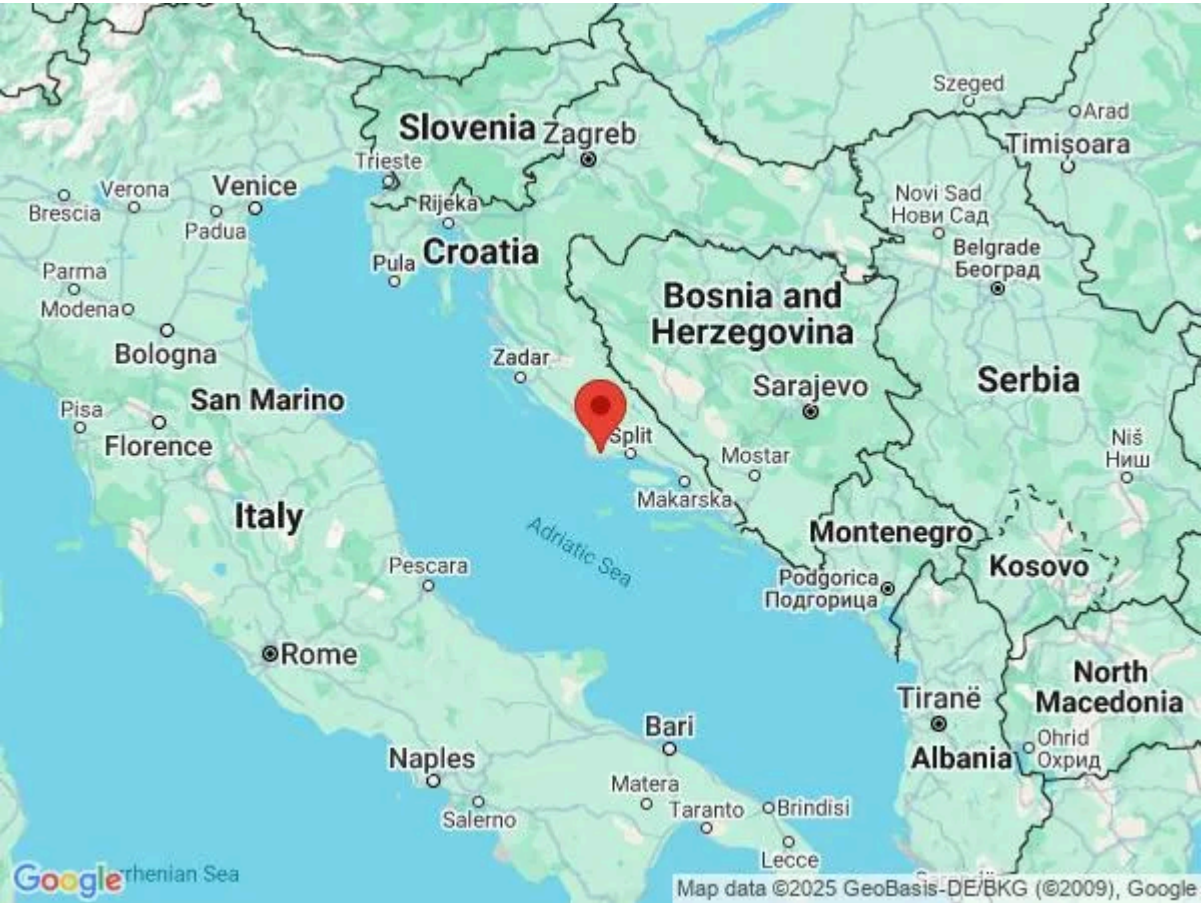

Villa Anastasiya is located in Marina, a small town about 12 kilometres from the UNESCO World Heritage site of Trogir. Marina has all the amenities you could need, with plenty of restaurants and cafes within walking distance and supermarkets and beaches.

The historic town, Trogir, is at the top of the list of places to visit in Dalmatia and throughout Croatia! The Trogir archipelago, dotted with islands, islets and tranquil bays, has attracted numerous conquerors, seafarers, and traders since ancient times. Most of Trogir’s beaches are located along the Trogir Riviera, and you can rest assured you will not have to travel far for a quality beach experience.

The Putlj Winery is outside the town and offers tours and tastings. If a trip to the winery is not your thing, we recommend visiting the Zinfandel Wine Bar in the Old Town of Split to enjoy fantastic food, great wine, and an atmosphere.
