Location & Local Information

Villa Knossos is situated on the beachfront of Kokkini Khanion, on the northeast coast of the Greek island of Crete, in the heart of the Aegean Sea. The villa is only seven kilometres from Heraklion International Airport, a short ten-minute drive. Whether you are looking for a relaxing time sunbathing on sandy beaches, yearning for some culture and visiting archaeological sites in the cradle of civilisation, or trek the trails through the local flora and fauna, before dancing the night away, there's something for everyone with a holiday on the island of Crete. The nearest beach of Kokkini Hani is just six metres from the villa, you can almost touch it with your toes. It's also a short walk to shops and tavernas.

Nearby the family-friendly beaches of Themis, Thalassa Konaki, Kokkini Chani, and Vathianos Kampos, are all within walking distance, under a kilometre away. These soft sandy beaches have easy shallow entry into the calm Aegean Sea, organised sunbeds with shady brollies, some with water sports activities, and promenades lined with cafes and tavernas. Explore the three hundred caves the island hides, hike over hillsides, streams, and rocky ravines to discover watermills and ruins, and stop along the way at a local winery and taste the fruits of the many vineyards. The area is soaked in history, particularly Minoan and Dorian, Crete was conquered by the Venetians in the fifteenth century, who built fortresses to keep the Ottoman pirates at bay, then finally gaining independence in the nineteenth century and becoming part of Greece.

All aboard a boat trip where you can scuba or snorkel underwater ruins, and jet ski or paraglide from one of the many water sports clubs. The town and port of Heraklion is just nine kilometres north of the villa, take a tour around the ancient Palace of Knossos, visit the Heraklion Archaeological Museum, walk along the Venetian walls, and stroll through the old quarter, where you can shop for souvenirs, before enjoying a souvlaki and ouzo like a local.

Go further afield to Vai, Crete's easternmost tip, an hour and a half drive away, where you will find lush forests and a

unique date palm. Visit Psychro Cave, reputedly the birthplace of Zeus, and rock climb Mount Ida to find the Ideon Cave. Sitia Geopark is three hundred and fifty square kilometres of the island's diverse ecosystem, where you can trek through gorges, bathe on beaches, walk the wetlands, and bird-watch. Hike the Richtis Gorge, and stroll through streams to reach the twenty-metre waterfall, where you can cool off in the inviting pool. Find solace in the fifteenth-century Toplou Monastery, an hour-and-a-half drive through the Cretan countryside to see beautiful Byzantine icons.

Take a boat tour to visit the intriguing island of Spinalonga, once a leper colony with a Venetian fortress, and now an open-air museum. Take a trip to Agios Nikolaos, a harbour town that uniquely houses a lake in its centre, with an Archaeological Museum of Minoan treasures, and tavernas, shops, bars, and restaurants in which to sit and watch the local life go by. End your day dancing the night away in the holiday hot spot of Malia, a twenty-five-minute drive from the villa!
