# Location & Local Information

Casa Quique is based around a 5 minute drive away from the centre of Puerto del Carmen, a popular area that is well recognised for its diverse array of iconic landmarks and attractions. Submarine Safaris Lanzarote is one of the area’s most alluring attractions, just under a 10 minute drive from the villa. This establishment allows guests to board an iconic yellow submarine and travel to a maximum depth of 30 metres. As such, guests will have the prime opportunity to explore the intricacies of the sea from an entirely new perspective. This is a particularly useful experience for those who may not be strong swimmers or feel intimidated by large bodies of water.

This region is also commended for its extensive portfolio of flawless beaches, such as Playa Chica, just over 5 minutes from the villa. This beach teems with an abundance of soft golden sand and sapphire blue water, making it an unmissable landmark for anyone looking to let go of their normal worries and really appreciate the natural beauty surrounding them. This beach is also surrounded by an array of looming rock structures which not only accentuate the wonder of this attraction but also act as an essential source of shade from the blazing sun. Therefore, it is also a great place to visit if you are looking for a break away from the heat.
