Location & Local Information

Villa Anjur can be found between a backdrop of mountains and the azure seas, on the slopes of Marinhill Vistaport, near the tourist town of Turgutreis, on the beautiful Bodrum peninsula, on Turkey's Mediterranean coast. The villa is situated sixty kilometres from the international Milas-Bodrum airport. The small luxury villa concept has its own spa facilities, a shared lounge area, a children's playground, and a concierge team. The nearest beach of Soytaş is within walking distance, with a sandy shore and crystal clear waters.

Turgutreis is a popular holiday destination, with over five kilometres of sandy beaches, perfect for relaxing in the sunshine or participating in a whole host of water sports and activities. Inviting waterfront restaurants and bars make for romantic evenings, and a busy marina welcomes yachts and international guests docking in from all over the Med and Aegean. The town hosts a weekly market selling home-grown fruit and vegetables, freshly caught fish, locally pressed olive oils, honey from the farmer hives, and souvenirs to take home with you to remind you of your stay. Four large supermarkets can fill your fridge and provide for your pantry for the duration of your stay. Get your culture kicks at the three local art galleries, visit the mosque, join the yachting fraternity at the Turgutreis Sailing Club, all aboard the Viking Boat for a day out at sea, saddle up and ride your pony at the Horseback Riding Club, or simply slip off your sandals and relax at one of the many beach clubs that line the sea shore.

Further afield, just thirty minutes drive north, is the original fishing village of Yalilavak, which offers a range of fun family activities, an impressive marina where you can marvel at some seriously amazing superyachts, and a marble shopping mall to rival Milan, selling all your favourite designers and brands, as well as your own personal shopper as an optional extra! Go south, and in fifty minutes, you're back in the cosmopolitan town of Bodrum, with its ancient fortress and financial centre, not to mention a whole host of activities and day trips that can take you further afield and discover the real Turkish

delights. Take a trip and steep yourself in history at the world-famous UNESCO World Heritage Site of Ephesus, lose yourself in the cotton clouds of the incredible geological magic of Pammukale, or if you feel like going Greek, nip on the ferry that takes you from Turgutreis to the island of Kos.
