This property is also home to an attractive collection of outdoor terraces, meaning guests can kick back and relax as they absorb the beautiful sights that sit before them.

Inside, this property expresses a genuinely contemporary theme, making it suitable for those looking for a holiday home without the fuss. The living room is incredibly bright and airy but contrasts this with a pair of cosy sofas decorated with a range of plump scatter cushions. As you move to the dining area, this space adheres to a more compelling theme. By making good use of a slim tiled table and an accompanying set of off-beat rattan chairs, guests can use this space to enjoy a series of mouth-watering meals in a deeply stylish and communal environment. The kitchen within this property is very modern and well-equipped, showcasing a range of sleek glass cupboards and wooden surfaces. In turn, guests will have access to everything they would need to prepare and serve various meals that the whole family will love.
