## Overview

Chalet Lanie is a characterful luxury retreat tucked into a peaceful corner of Le Crêt – a charming Alpine village just a short hop from the world-renowned slopes of Val d'Isère. With space for up to 12 guests, it's a fantastic choice for families or groups seeking style, comfort and a touch of mountain magic.

Set across three floors, the chalet's six traditionally styled bedrooms are warm and welcoming, each with its own en-suite bathroom and spectacular mountain views. Whether you opt for twin beds or a plush double, rest comes easy after a day in the snow.

At the heart of the chalet, a generous living area invites you to unwind. Soft sofas gather around the fireplace, creating a cosy hub for après-ski catch-ups and evening tipples. Floor-to-ceiling windows flood the room with natural light and frame sweeping views of the surrounding peaks. # Location & Local Information

Chalet Lanie is set in the peaceful hamlet of Le Crêt, just between La Daille and the centre of Val d'Isère, known for its traditional stone chalets and elevated views across the valley. Tucked away from the bustle of the resort centre, it offers a more serene setting while remaining within easy reach of the slopes.

A short walk or complimentary private shuttle bus can takes guests directly to the main lifts, granting access to the renowned Espace Killy ski area. With over 300km of pistes spanning Val d'Isère and Tignes, skiers and snowboarders of all levels can enjoy a vast and varied terrain, including challenging black runs, scenic cruisers, and legendary off-piste descents.

Beyond the pistes, winter adventures abound. Snowshoeing routes wind through tranquil forests, while ice climbing offers a vertical thrill for the more daring. Le Crêt's quiet charm provides a welcome contrast to the vibrant energy of central Val d'Isère, which lies just minutes away and offers a selection of restaurants, shops, and après-ski options.

Chalet Lanie is easily accessed by road, with parking on site. For those arriving by air, Geneva and Lyon airports are both around a 2.5-hour drive, making transfers straightforward.
