Overview

Villa Isle is a striking six-bedroom retreat set above the Ionian Sea on Corfu's northwest coast, offering sweeping views across Agios Stefanos Bay. Comprising a main house and separate guest house, the property sits within peaceful Mediterranean gardens, shaded by ancient olive trees, and accommodates up to twelve guests in comfort and privacy.

Built from pale local stone with timber pergolas and expansive terraces, the villa's design celebrates light and space. Floor-to-ceiling doors frame the sea views and open onto multiple balconies and a showstopping infinity pool, where guests can unwind on built-in loungers or gather around the firepit at sunset. Outdoor living is effortless, with a sunken lounge, shaded dining areas, a built-in barbecue, and an open-air bar perfect for evening drinks.

Inside, the villa is calm and contemporary, with curated art, bespoke furnishings, and natural finishes of wood, marble, and glass. The open-plan living area includes a sleek kitchen, formal dining space, and a fireside lounge with panoramic windows. All six bedrooms have ensuite facilities, and the elegant guest house offers extra privacy with its own kitchenette and garden access.
