

Apartment Plata

Region: Spain **Sleeps:** 10

Overview

Located within Barcelona's former Olympic Village, this gorgeous five-bedroom apartment for up to ten guests offers a bright, comfortable, and stylish space close to some of this vibrant city's most beguiling attractions.

Step inside and find yourself immediately welcomed into its colourful, bohemian spaces, including a large open-plan living area comprising a modern and tastefully finished living area with a chic dining area, both offering access to the apartment's balcony. Imagine waking in the morning to the Spanish sunlight as it streams through the windows, making yourself that first cup of coffee of the day, and stepping onto the lovely balcony to savour it as you look out over Barcelona's impressive Villa Olimpica. Down the hall, you will find a contemporary kitchen, which also offers access to the balcony, and which is fully equipped with all the mod-cons you could need to feel right at home (and prepare a feast of some homemade takes on Catalan classics).

The bedrooms – some of which are located on the second floor of this split-level home – are simple and understated, whilst their rest-promoting monochromatic colour schemes add an element of modern style. Of the five, you will find that two offer Queen-sized beds; two are set up as twin rooms with two singles, whilst another has bunk beds.

Each has its distinct décor and character, while some of the bedrooms also lead onto balconies which provide a little extra privacy and the perfect spot for a quiet afternoon spent reading and sunbathing. The home has two family bathrooms and a separate loo, all finished to a high standard and offered a recently renovated space for some pampering and relaxation.

During your stay in this expansive apartment, you will also

have full access to the communal swimming pool and garden area. At the same time, the private terrace offers almost panoramic views over the myriad gems of richly bejewelled Barcelona.

Location & Local Information

Despite being conveniently and centrally located within easy reach of the many highlights of this beautiful city, the location of this home still succeeds in feeling private, secure, and tranquil.

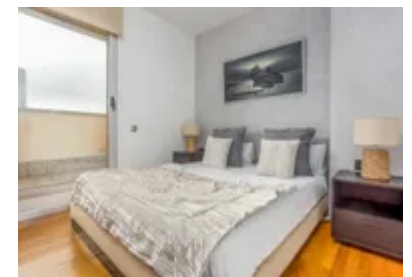

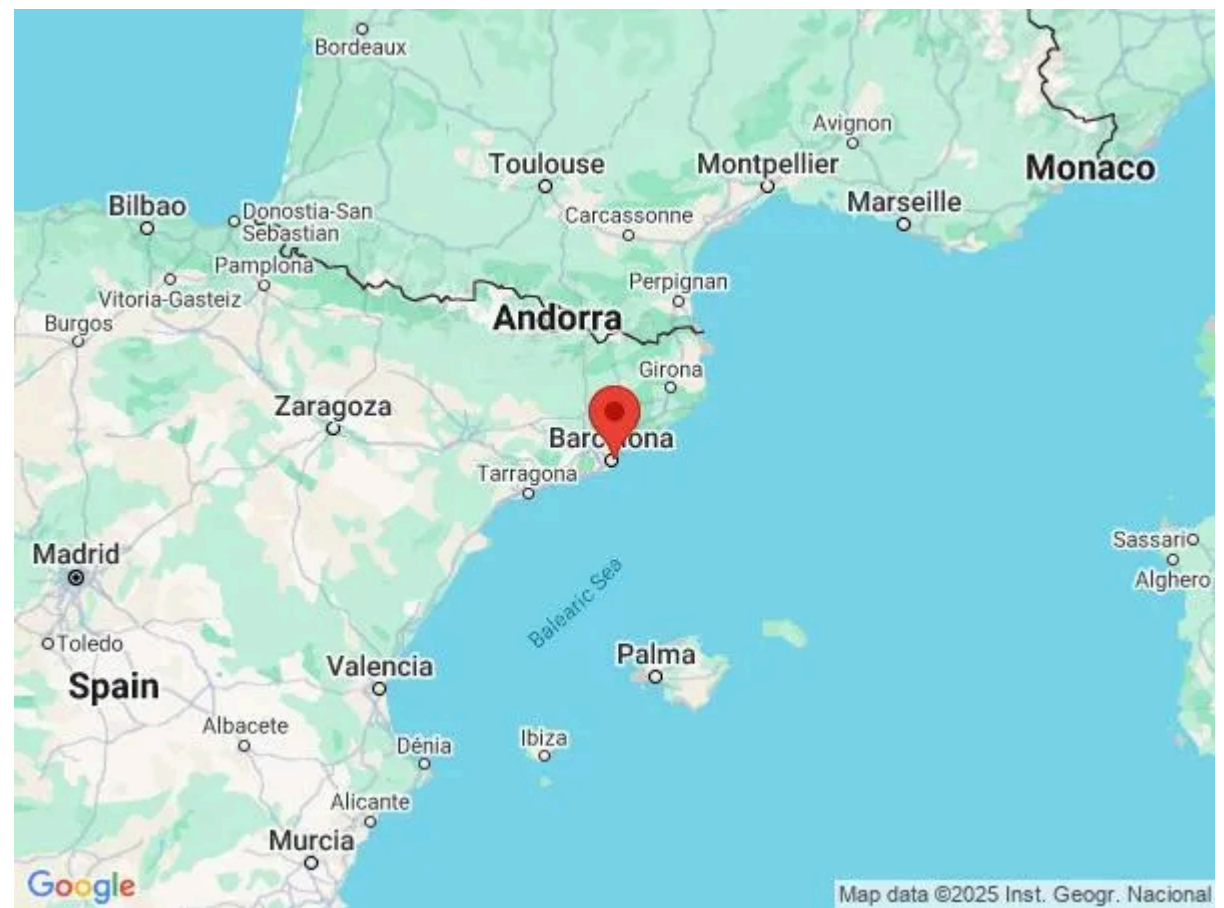

Situated within the former Olympic Village, which dates back to when Barcelona hosted the monumental sporting event in 1992, the home is part of a contemporary and well-equipped urbanisation specifically designed to feel welcoming and safe whilst allowing easy access to the very heart of the city. Of course, its original purpose also means it is ideally close to some of the city's most popular neighbourhoods, including bustling Barceloneta and the recently revamped Poblenou area.

You will also find yourself ideally located for discovering some of the city's golden sand beaches, including some of the more luxurious stretches along this length of sultry Spanish coastline, such as Nova Icaria and the beautiful Bogatell beach, where you can soak up the sun as well as the distinctly eclectic, laid-back atmosphere with just a hint of luxury. There are loads of options for water sports, shopping, drinking, and dining (or you could always lie back, relax, and listen to the sound of the waves as they lap upon the shore).

As afternoon melts into evening, head back to the apartment to slip into something a little more stylish – and perhaps enjoy a sundowner on the terrace – before heading out to sample some famous Barcelonian nightlife. A round of tapas and a pitcher of Sangria por favour!

Take a stroll down Las Ramblas, mosey up Montjuïc on the cable car, stop by the iconic Sagrada Familia cathedral, or gawp at some of Gaudí's most impressive creations on a tour of this ever-vibrant, effortlessly electric city. There is something on offer for everyone in the colourful Catalan capital.

What we love

- The spacious terrace provides a great place to sip a morning cup of coffee, unwind with a sunset cocktail, or catch up on your reading in comfort and privacy (whilst also catching a few rays)
- The development's communal garden with shared swimming pool is also a real benefit of this home, and something of a rarity this close to the centre of Barcelona
- The location of this home, close to both the popular Barceloneta neighbourhood and Poblenou, allows for easy access to some of the main draws of the city and its gorgeous coastline

What you should know...

- This home is spread over two levels with no lift, so it might not be a good choice for guests with mobility issues
- In the interest of safety, any little ones must be supervised at all times when on the terrace – the same of course goes for the communal swimming pool as well
- Your host is able to arrange a variety of activities and extras for you for an additional fee; including grocery shopping, cleaning, and laundry services
