Overview

Designed by the celebrated Viennese architect Friedrich Sigmund, Captain's Villa Rouge is an opulent nineteenth-century villa that has been lovingly restored to feature seven luxury suites and exceptional modern facilities. The villa boasts an expansive Mediterranean garden, a wraparound terrace, a sun-drenched saltwater swimming pool, private spa facilities and stunning ocean views. Ideally situated overlooking Čikat Bay on the idyllic island of Lošinj, Captain's Villa Rouge features three stylish floors with separate entrances and living spaces, making this the perfect place for a large group or a multi-generational family to enjoy a relaxing and rejuvenating retreat in the warm Croatian sunshine.

Azure skies will draw you outside to the villa's fragrant garden each morning, where you can sip a freshly brewed cup of coffee and enjoy the gentle sea breeze in peace and seclusion. Take a dip in the heated saltwater pool, surrounded by lush greenery, or simply unwind on a sumptuous sun lounger on the ample poolside terrace. The upper terrace of Captain's Villa Rouge features an elegant outdoor dining area shaded by verdant lemon trees and an impressive summer kitchen. The veranda boasts an antique wooden ceiling and an outdoor lounge area where everyone can gather to enjoy a sunset aperitif with spectacular views of the sparkling bay below. Later on, feel the day's adventures melt away as you relax in the soothing waters of the outdoor hot tub while the stars begin to appear.

Guests will be enchanted by Captain's Villa Rouge's exquisite interior living spaces, which feature splendid stonework, terrazzo floors, Murano chandeliers and antique objets d'art, which contribute to a chic nautical theme in harmony with the villa's dreamlike views of the Adriatic Sea. A private elevator allows guests to easily

access the three levels of Captain's Villa Rouge, each of which features a separate entrance. Each level boasts a fabulous living space, encompassing a warm and welcoming lounge area, a spacious dining area and a fully equipped kitchen with a range of modern appliances. The villa also offers a fitness zone with premium gym equipment and a tranquil wellness zone with indulgent steam and sauna rooms.

There are three delightful bedroom suites located on the ground floor of Captain's Villa Rouge, each of which boasts a king-size bed and tasteful décor. Location & Local Information

Known as Croatia's 'Island of Vitality', Lošinj is famous for its lush greenery, beautiful beaches, fresh air and laidback atmosphere, as well as plenty of picturesque hiking and biking trails along the turquoise coast. Captain's Villa Rouge is perched upon the edge of Čikat Bay in Mali Lošinj, the island's largest town, which boasts an idyllic harbour setting, a backdrop of rolling green hills and a distinctively Mediterranean feel. With a charming historic centre and spectacular natural beauty, Mali Lošinj offers visitors a dreamlike holiday setting and a fantastic base from which to explore the wonders of the Cres-Lošinj archipelago. A scenic ride along the pristine waters of Čikat Bay is a great way to spend a sunny afternoon exploring, with a bicycle rental service available to guests at Captain's Villa Rouge. For those who enjoy exploring on foot, a paved pathway connects Mali Lošinj to the smaller town of Veli Lošinj, with aromatic pine trees providing plenty of shady spots as you soak up the ocean vistas along the way. Čikat Forest Park is the ideal place for a morning hike in nature, with a variety of marked trails leading through the peaceful woodlands to the coast, where you can finish your hike with a leisurely picnic or a rejuvenating ocean swim.

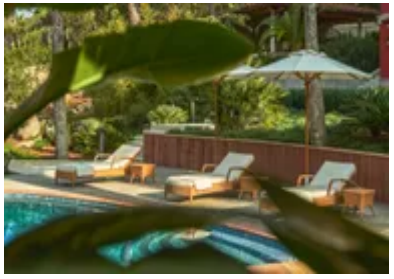

With a secluded oceanfront sundeck right on your doorstep, you will have every opportunity to spend time enjoying the warm, crystalline waters of the Adriatic Sea. For those who wish to venture further afield, a visit to the Historical Underwater Park, located within the Top Dive Diving Centre in Čikat Bay, is not to be missed. Here, underwater explorers can make their way down to faithful replicas of historic cannons, ancient statues and centuries-old anchors, with experienced divers offering guided visits to those who do not hold a diving license.

The picturesque streets of Mali Lošinj are perfect for wandering on lazy afternoons. Enjoy a morning espresso at a local café on the waterfront before visiting the fascinating Museum of Lošinj, located within the iconic Fritzi Palace. The Museum of Apoxyomenos, located in the imposing Kvarner Palace, is home to a beautiful bronze

statue that was discovered by a diver on the seabed near Mali Lošinj, at a depth of 45m, after spending many centuries beneath the waves.

Lošinj offers visitors plenty of opportunities to experience its rich gastronomy, with excellent seafood restaurants and local taverns in Mali Lošinj serving the island's delicious delicacies. Intimate dining experiences with a private chef can also be arranged by the team at Captain's Villa Rouge. For guests who wish to indulge in some additional pampering, a visit to the spa at the renowned Bellevue Hotel or the Boutique Hotel Alhambra is easily arranged, or a relaxing treatment with an experienced masseuse can be enjoyed from the comfort and privacy of the villa.
