Location & Local Information

Can Asarama is located in Crestatx, a residential urbanisation just a 15-minute drive from the center of Pollensa, making it easy for guests to explore the area.

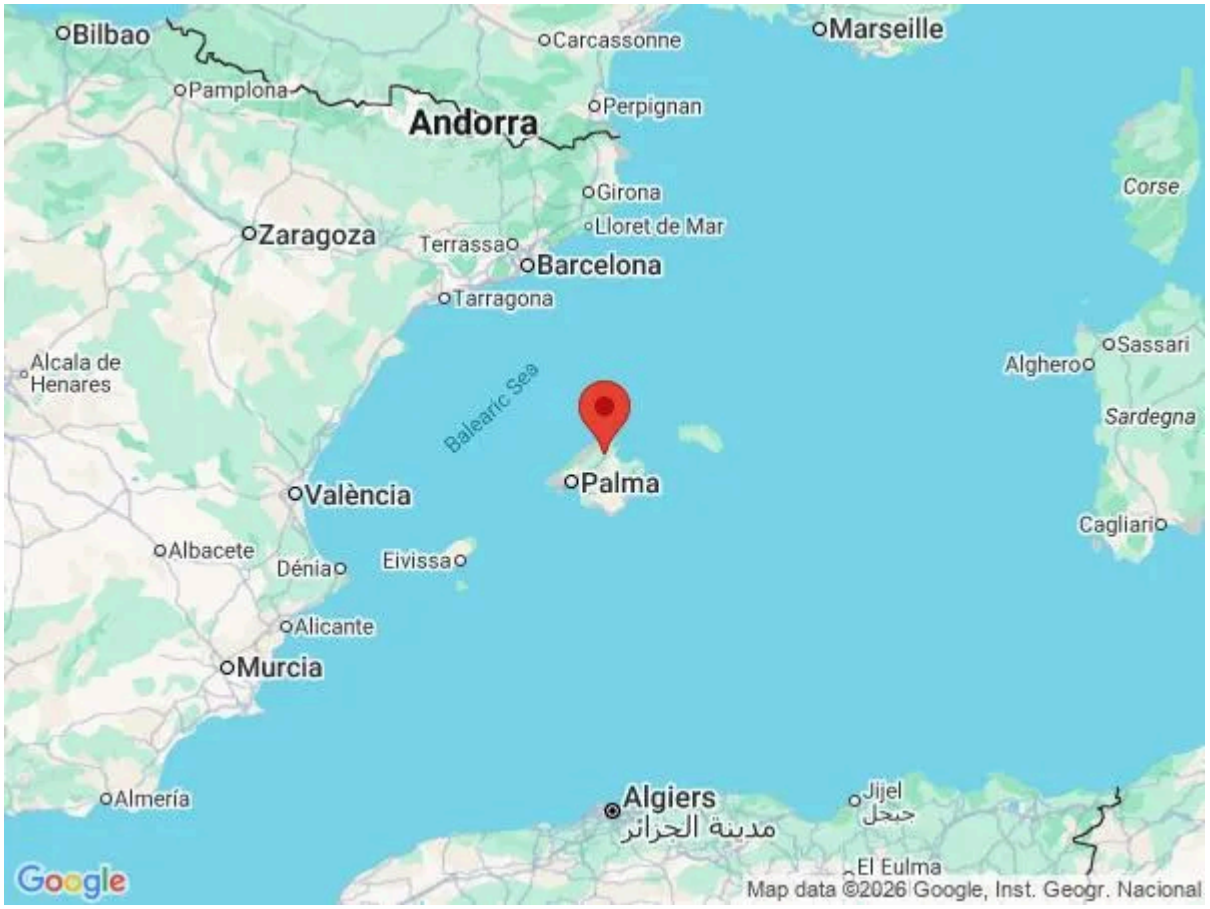

Formentor Lighthouse, about an hour from the villa, is a must-visit landmark. Built in 1863, it stands 210 meters above sea level, guiding fishing boats away from the sharp rocks below. The lighthouse has also inspired famous writers like Jose Hierro and Carlos Fuentes. A drive to the top offers breathtaking views, making it a worthwhile trip.

For a fascinating look into ancient history, visit the Alzinaret Caves, just 20 minutes from the villa. Discovered in 1927, these caves date back to 1600 BC and contain artifacts from the Middle Bronze Age. There are several caves to explore, and benches outside for those who prefer to stay above ground. It's a great spot for a unique day out.

If you're visiting in November, don't miss La Fira, a traditional trade fair that has been held since the 18th century. Here, you can browse handmade woven goods like bags and hats, offering a glimpse into the region's history. The fair takes place about 10 minutes from the villa, usually on the second Sunday in November.
