What we love

- We loved the conch farm – getting to hold a baby conch was so lovely.
- The great big daily American breakfasts were just great.
- As a big history buff, I loved Cockburn Town, which we visited by ferry. It was fascinating to learn more about the history of the island.
- Grace Bay Beach – it's just amazing. What more can you say?
- I loved our place. It met all our needs and exceeded all expectations.

What you should know...

- There are many ATMs on the island, but having cash on your person is advised for smaller establishments. The island accepts payment in US dollars.
- Be mindful of the season. You can plan to avoid hurricane season and coincide with whale migration season.
- Mosquitoes seem to love the island just as much as we do. Bring bug spray, and remember that mosquitoes are most active at dusk and dawn.
- To avoid disappointment book activities and restaurants in advance, especially during the peak season (typically December to April).
- Wymara Resort is cashless, none of the outlets will accept cash, only card payments.
