What we love

- We spent most of our time at Grace Bay Beach, which was just amazing. It has a reputation for being one of the world's best beaches, and it certainly seemed true to us
- We're big seafood fans, so we loved the food, especially the fish strew
- Snorkelling was just so much fun. I lost track of time out there. We saw so much – Parrotfish, Blue Tang, Angelfish, snappers and Damselfish were just a few
- The resort had everything we needed. It couldn't have been better. 10/10

What you should know...

- Consider what you'd like to do before you visit. Do you want to visit when the whales are migrating? Do you like the heat? Make sure you book up things you really want to do in advance if visiting during the peak seasons.
- Yes, cards are great, but cash is king. It's always good to have some US dollars to hand.
- Mosquitos love this land, so remember the golden rules; use bug spray, remember their dominant times (dawn and dusk) and still to long-sleeved clothing in light colours.
- Wymara Resort is cashless, none of the outlets will accept cash, only card payments.
