Location & Local Information

Located within the Wymara Resort on the island of Providenciales in Turks and Caicos, this home places you just steps from the world famous Grace Bay Beach. Known for its powdery white sands and crystal clear waters, Grace Bay is often ranked among the most beautiful beaches in the world. Here you can relax on the sand, swim in calm turquoise waters, snorkel vibrant reefs, or enjoy a variety of exhilarating water sports. Within the resort itself, guests can make the most of the infinity pool, restaurants, beach access, gym, and indulgent spa treatments, while the surrounding island offers plenty more to discover.

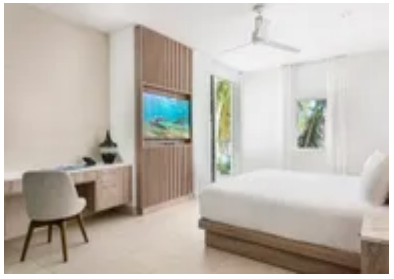

Just nearby lies Coral Gardens Reef within Princess Alexandra National Park, a spectacular spot for snorkelling and diving where colourful coral formations and tropical marine life thrive in clear, warm waters. Golf enthusiasts can head to the nearby Provo Golf Club, an 18 hole course that offers both a rewarding challenge and beautiful scenery. For a relaxed afternoon on land, Bight Park is perfect for picnics and leisurely strolls, while Graceway Plaza offers cafés, restaurants, boutique shops, and a grocery store.

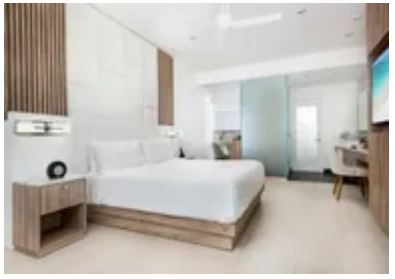

Further exploration might take you to Turtle Cove Marina for boating and fishing, or to the striking turquoise lagoons of Chalk Sound National Park, best explored by kayak or paddleboard. From January to April, migrating whales can also be spotted passing through the surrounding waters.

What we love

- I really enjoyed the DVD selection. There was always something to choose, and we could just relax together.
- All I wanted was the sea, sun and sand, and that's what I got. It was heaven on earth.
- I enjoyed trying something new. Conch is in so many dishes here and it was really delicious.
- I loved the layout of the apartment. It was just so fresh and comfortable and felt so easy to make ourselves at home. We were glued to our terrace.
- The resort has everything. It was perfect.

What you should know...

- Consider what you'd like to do before you visit. Do you want to see the whales migrate? Do you like the heat? Would you rather avoid hurricane season? Make sure you book up things you really want to do in advance if visiting during the peak seasons.
- Cards are great, but cash is king. It's always good to have some US dollars to hand.
- Mosquitos love this land, so remember the golden rules; use bug spray, remember their dominant times (dawn and dusk) and still to long-sleeved clothing in light colours.
- Wymara Resort is cashless, none of the outlets will accept cash, only card payments.
