# What we love

- The suite is just so lovely. It feels like living inside a shell – easy, breezy, mermaid and ocean colours. Just gorgeous!
- We felt so indulged here thanks to the chocolate dipped strawberries, champagne, wine and more. It was just the best experience
- It's impossible to even describe how beautiful the views are here. You'll get to see it all from the terrace!

# What you should know...

- What would you like to do here? See the whales? Enjoy the food scene? Charter a boat? Make sure you book up things you really want to do in advance if visiting during the peak seasons
- It's always good to have some US dollars to hand. Bring both card and cash
- Mosquitos love this land so remember the golden rules; use bug spray, remember their dominant times (dawn and dusk) and still to long-sleeved clothing in light colours
- Wymara Resort is cashless, none of the outlets will accept cash, only card payments
