Compact and bijou, Apartment Colas are fabulous for a family ski and stay holiday in the heart of Moriond, the middle of the Trois Vallees resorts, in exclusive Courchevel, overlooking the French Alps. The town of Moriond is famous for having the most hours of sunshine and the most relaxed, family-friendly atmosphere, with access to lots of starter-level green and blue slopes and ski schools for beginners. Apartment Colas is perfectly positioned in the centre of the town, with immediate access to all things ski and après ski.

Apartment Colas has two double bedrooms, which can comfortably accommodate up to four adults and two children, ideal for a family vacation or a small group of friends' get-together. The apartment can be found in a small chalet-style property, with an elevator, a secure parking place in a private garage, and a ski locker to keep your equipment safe. The interiors are traditional warm wood wall panelling and finely crafted furniture, cleverly combined with a super stylish modern kitchen and bathroom. The effect is welcoming, cosy, and comfortable, and the mesmerising mountain views over snowy rooftops are stunning.

Enter the apartment to find a light and airy open-plan living area with picture postcard mountain view windows. The seating area has a sofa bed to sleep two and an upright wooden sofa, both clad in a cheerful red and white fabric, with a sideboard that is home to a flat-screen television for your evening entertainment. The adjacent pillar box red and grey granite kitchen is fully equipped with all the appliances you will need to cater for your holiday, including those must-haves: dishwasher and morning coffee maker. A six-seater picnic bench-style table is perfect for easy, informal, convivial dining, especially when feasting on a fondue made from the local melted cheese.

## Location & Local Information

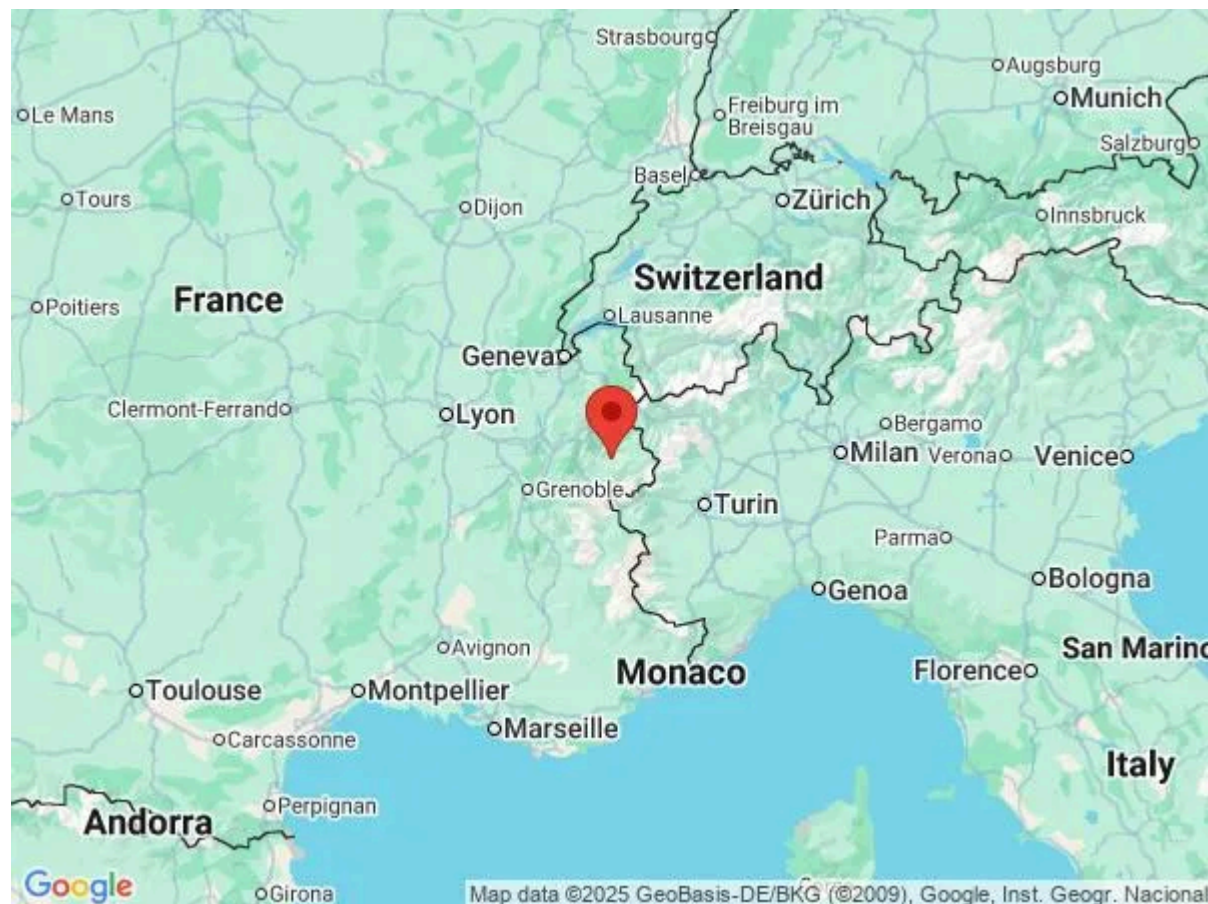

Apartment Colas can be found in the heart of the town of Moriond, sitting 1650m above sea level on the slopes of the exclusive ski resort of Courchevel, overlooking the French Alps. Moriond is the middle village of the three Trois Vallees resorts and is noted for having the most sunshine and the best laid-back vibe.

You've got a few choices as to how to reach your holiday home. Within a three-hour radius, there are four international airports, Geneva and Lyon, and in peak season Chambéry and Grenoble. From there, hop in a taxi, hire a car, or jump on a regular shuttle bus that will whisk you to your destination. If you are feeling flush, charter a helicopter and arrive in style.

The apartment is at the epicentre of all things Moriond. The closest ski lift is Ariondaz, and the closest slope is the delightfully named Front de Neige, both just twenty metres from the apartment. The ski school for younger guests and beginners is also a very short twenty-metre trek through the snow. The ski resort of Moriond is particularly attractive to families, as it is renowned for its starter blue pistes and gentle green runs.

The town of Moriond has shops and supermarkets stocked with provisions for your stay, including a Spar selling British fodder. Walk through the town to the tourist office for information and assistance. There are lots of bars and restaurants where you can enjoy some seriously good French cuisine. As dusk falls, the town of Moriond comes alive with a vibrant après ski nightlife; there are lots of live music venues where you can party, party, and party until the small hours in late-night bars.

For those who don't ski, or if you want a day of sliding down the slopes, enjoy a walk by the lake and river with a selection of water sports in season, or see the mountains on a bike. Take a gondola to the other towns; most especially, don't miss the jet-set Courchevel 1850, where you will find luxury brand designer shopping malls, pampering spas, Michelin-starred restaurants, an ice-

skating rink, and a cinema showing films in English and French. Take a seat at a classic French café and sip a hot chocolate as you watch the beautiful people glide by. For the romantically inclined, there's nothing lovelier than a moonlight sleigh ride through the mountains in a horse-drawn carriage.
