Location & Local Information

You'll love staying in the perfectly positioned mountain view Apartment Kylian, situated in the heart of the exclusive jet-set Courchevel 1850, overlooking the French Alps. The apartment is in a classic chalet-style building, with a garage to park your car and a locker for your ski equipment. Within minutes, you are in the town centre, the nearest slope of Front de Neige is just fifty metres away, and you have a choice of the three ski lifts of Verdon, Loze, and Jardin Alpin, to take you to your run of the day.

Courchevel is famous for being the world's biggest pistes playground, the highest of the Three Valleys resorts, with over six hundred kilometres of connected slopes of every colour. To get to your holiday home there are four international airports within a three-hour radius: Geneva and Lyon, and more seasonally, Chambéry and Grenoble. From there, prebook a taxi, hop into a cab, hire a car, or go aboard the regular shuttle bus to take you to your destination. For those of you who are feeling fabulous and flush, charter a helicopter and arrive in style at the private airport, where you can star-spot celebrities.

Apart from skiing, there's a lot to do and see when you stay in Courchevel 1850. Starting with luxury brand shopping in stylish malls. After a hard morning spending money, pamper yourself in a relaxing spa, with a massage and treatment or two. For something a little more active, there's hiking, climbing, mountain biking, canoeing, rafting, lugging, paragliding, and paintballing. If you fancy practising your swing, there's a nine-hole golf course with a twenty-seven-bay driving range. Snowshoe, Nordic ski, dog sled, or snowmobile your way across the ice, or take to the skies in a hot air balloon and see the Alps from a different angle. Take it down a notch with a French cookery class, followed by a romantic evening sleigh ride through the snow.

After all that activity you've earned yourself an evening's après ski enjoyment. Courchevel 1850 is full of fabulous bars for you to have some fun before fine dining in one of the six Michelin-starred restaurants, then dance your ski legs off until dawn at one of the resort's many prestigious clubs.
