# Location & Local Information

Apartment Snowdrop enjoys an excellent position in the centre of Courchevel Village, placing guests within easy reach of the slopes, local amenities and the relaxed charm that this part of the resort is known for. The Grangettes gondola sits around 100 metres from the residence, giving swift access to Courchevel 1850 and the wider Three Valleys network. With reliable snow conditions throughout the season and a varied range of pistes, the area is well suited to mixed-ability groups. Beginners can make use of the gentle terrain around the village, while more experienced skiers will appreciate the long descents and the opportunity to explore neighbouring valleys.

Courchevel Village has a friendly and laid back feel, with several shops, restaurants and ski hire outlets just a short stroll from the apartment. It is a convenient location for families and those who enjoy being close to everything they need without the busier atmosphere of the higher stations. After a day on the mountain, the nearby Aquamotion centre offers pools, wellness areas and activities for all ages, while the residence itself provides a sauna and fitness room for some quiet time closer to home. It is a well-balanced setting for both skiing and relaxation.
