This 3 bedroom, 3.5 bathroom retreat is positioned atop a breezy hill, allowing views of both the Atlantic Ocean and the Caribbean Sea to be enjoyed from almost every angle. Entry is made through an arched and gated courtyard, where lush gardens create an immediate sense of privacy and calm. The main level is arranged in an open plan layout, with a comfortable sitting room featuring a Smart TV and music centre, flowing into a dining area and a fully equipped kitchen designed for effortless living. An east facing patio and expansive terrace extend the living space outdoors, where al fresco dining is set beside the main pool. Sea stones, a wooden sun deck, an unheated plunge pool, and an outdoor shower complete this sun drenched setting, ideal for long, leisurely days spent outdoors.

The primary suite occupies an elevated position, where a king size bed is oriented toward a large picture window that captures the surrounding scenery. This air conditioned bedroom includes a walk in closet, an ensuite bathroom, and a private balcony overlooking the hills and sea beyond. On the lower level, two further air conditioned bedrooms are found, one with twin beds convertible to a queen and the other with a queen bed. Each features an ensuite bathroom and a private terrace with sea views. The villa is protected by a monitored alarm system, and flexibility is offered through the option to rent only the primary suite while retaining full use of the villa (outside of the lower level).
