What we love

- The private outdoor hot tub on the terrace was perfect for easing tired legs after a day on the slopes
- The central Courchevel Moriond setting is ideal with everything close by, including shops, restaurants and ski hire
- The children's bunk room sleeping three is ideal for children and teens travelling together.

What you should know...

- The apartment is close to the slopes but not ski in ski out, so a short walk is required to get to the piste in the morning
- Ski shoes are not permitted inside the apartment, so the ski locker and boot heaters should be used
- Courchevel Moriond has a lively atmosphere in peak season, which may appeal more to active groups than those seeking total seclusion.
- Parking is provided in a shared underground garage, so larger vehicles, or those with roof boxes may require careful manoeuvring.
