What we love

- Apartment Ammar is a comfortable and stylish retreat for guests to unwind and relax.
- The apartment is only a short walk from the Ariondaz lift, making mountain access quick and uncomplicated.
- A private ski locker ensures equipment stays organised and ready for the next morning on the slopes.
- The apartment sits within walking distance of Courchevel Moriond's restaurants, shops and village atmosphere.

What you should know...

- The bunk beds are located in the entrance hallway, with a sliding door separating the bunk room from the living room. Ideal for younger guests and for holiday makers looking for functionality while being close to the pistes.
- When walking to the slopes, do take care in the height of winter as the roads and pavements can be slippery when walking in your ski boots.
- Please note, while a parking space is provided, this is located in the underground car park, which may not be suitable for larger cars or cars with roof boxes attached.
- The residence and the surrounding Courchevel 1650 area is quiet and relaxed compared to Courchevel 1850, so it may not be the best fit for groups seeking late nights or lively après-ski at home.
