Overview

Right in the heart of Alpe d'Huez, Chalet Lancelotte is an elegant alpine escape designed for up to fourteen guests. With timber beams, stone accents and classic chalet architecture, it strikes the perfect balance between laid-back luxury and cosy comfort.

Inside, seven en-suite bedrooms are spread across four floors, offering plenty of space for families or groups. There's a private spa area on the ground floor complete with a hot tub and sauna, plus twin bedrooms with balconies and en-suites. Upstairs, more twin and double rooms offer the same comfort, each with their own bathroom and outdoor space. The top floor is home to the master suite, where a private balcony and generous en-suite bathroom give it a real sense of retreat.

The open-plan living and dining area is made for relaxing, with vaulted ceilings, soft lighting and a central fireplace that invites you to put your feet up after a day on the slopes. Floor-to-ceiling windows frame the views, while the adjoining kitchen comes fully equipped with everything you need – from an induction hob and oven to a coffee percolator and dishwasher.

Set within the exclusive Le Village development, the chalet enjoys unbeatable ski-in ski-out access – right between two slopes. The centre of Alpe d'Huez is just ten minutes away on foot, so whether you're after a post-ski vin chaud, dinner out, or a lap round the outdoor ice rink, it's all within easy reach.

The chalet comes with our Contactless Catered Service, which includes breakfast every day, afternoon snacks and six evening meals with drinks and pre-dinner nibbles. There's underground parking for those driving in, and free Wi-Fi throughout.

With its seamless piste and town access, private wellness perks and warm, relaxed style, Chalet Lancelotte sets the scene for a magical mountain stay.
