What we love

- The apartment's great Moriond location with shops, restaurants and services are all just a short walk away
- Apartment Legou's dedicated children's bedroom offers flexible sleeping options for families
- The ski locker and boots heater help keep gear organised and ready each morning.

What you should know...

- The children's dormitory is best suited for children due to its bunk bed and twin bed layout.
- Please note, while a parking space is provided, this is located in the underground car park, which may not be suitable for larger cars or cars with roof boxes attached.
- The residence and the surrounding Courchevel 1650 area is quiet and relaxed compared to Courchevel 1850, so it may not be the best fit for groups seeking late nights or lively après-ski at home.
