What we love

- Located in the peaceful Courchevel Village; restaurants, bakeries, and ski shops are all within easy walking distance.
- Apartment Jeanpierre has the ideal family layout – two double bedrooms and a fun bunk room for children.
- The ski locker and underground parking, add convenience and peace of mind during your stay.

What you should know...

- The cabin room that houses the bunk beds doesn't have windows and is quite small, only suitable for children
- Ambient noise can sometimes be heard from the main street during peak season, though the apartment complex is in a convenient and quieter corner of Courchevel.
- Please note, there's no fireplace, but the apartment is warm and modern with efficient central heating.
