What we love

- We love that Villa Nania has a sister villa called Villa Murat (https://www.oliverstravels.com/turkey/fethiye/villa-murat/)and that you can rent them together for large family holidays or special celebratory events.
- We love sitting by the pool at Villa Nania, sipping cocktails and whiling the day away on the inset sun loungers and swing seat.
- Who doesn't love a barbecue of fresh off-the-grill local delicacies, feasting alfresco under the stars at Villa Nania was the best holiday treat.
- Villa Nania has four spacious double bedrooms, two on each floor, so it's great if it's a large family or two families sharing.
- A cooling jacuzzi is just perfect for cooling down in the summer heat.

What you should know...

- Pool and garden maintenance is done once a day in the morning or evening.
- Please note Villa Nania and Villa Murat have the same photos, so furnishings and views may differ slightly.
- Villa Nania is four kilometres from the nearest beach at Oludeniz. A steep walk down and an even steeper walk back, frequent buses will get you there.
- The villa is in the heart of the Turkish countryside, and subject to variations, internet speed and connection can be erratic.The water is solar heated, benefiting the enviroment. On cloudy days it may run out
- Villa Nania offers lots of holiday-added extras, from airport transfers to private chefs.
- We recommend hiring a car during your stay at Villa Nania to see all the sights you'd like to see.
