History enthusiasts will be delighted to visit nearby monasteries and churches, while the vibrant town of Budva is only a half-hour drive away.

The picturesque town of Sveti Stefan is known throughout Montenegro and beyond for its stunning natural beauty and iconic islet, connected to the mainland by a stone isthmus. While the islet itself remains closed to the general public, the charming town of Sveti Stefan on the mainland is the perfect place to make the most of the spectacular beaches of the Budva Riviera and the warm, crystal-clear waters of the Adriatic Sea.

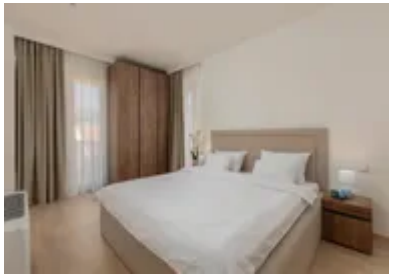

Sveti Stefan Beach is open to the public, offering pebble shores where you can spend sunny afternoons swimming and relaxing. For adventure seekers, water sports activities such as jet skiing, sea kayaking, pedal boating and snorkelling are on offer along the coastline. The enchanting King's Beach lies between Sveti Stefan Beach and the private Queen's Beach. Visitors can also enjoy a boat trip from nearby Budva to the dramatic cliffs of Sveti Nikola. This beautiful, rugged island is affectionately known as 'Montenegrin Hawaii' to locals, thanks to its stunning blue waters.

The cobblestone streets of Budva's charming old town are roughly thirty minutes from the complex. Don't forget to visit Budva's famous Ballerina Statue, made even more memorable by its magical backdrop. Work up an appetite by walking the historic walls or make your way up to the Citadel, where you can enjoy a leisurely lunch with panoramic views. For those who wish to experience the atmospheric nightlife of Budva, there are plenty of excellent restaurants and lively bars dotted around the old town.

Should you wish to travel further afield, Montenegro is home to five national parks, each with its own unique charm. Approximately an hour's drive from Villa Mihajlo, Skadar Lake National Park is a wondrous natural beauty spot featuring the largest lake in the Balkans. Here, visitors can hike and bike to their hearts' content before stopping for a swim in the lake's rejuvenating waters.
