## Overview

Nestled amidst the captivating Northumberland countryside, where rolling landscapes seamlessly merge with the coastal vistas, Thistlebrook Hall stands as an embodiment of rustic charm and refined elegance. Positioned at the heart of a sprawling estate, this magnificent hall offers an idyllic countryside retreat, perfect for extended families and gatherings of friends, accommodating up to twenty guests within its spacious ten bedrooms.

Pass through the imposing entrance porch, and you'll step into the grandeur of Thistlebrook Hall. The vast main hall boasts lofty ornate ceilings, an imposing stone fireplace bearing the house crest, and a gracefully flowing oak staircase, all of which evoke an immediate sense of opulence. Sunlight pours through stone mullioned windows on both sides of the hall, flooding the space with light. This creates a perfect spot for relaxation, gathering in the hall with your loved ones, sharing stories and laughter every day of your stay.

Adjacent to the main hall is the dining room, a space of both regality and intimacy. High ceilings adorned with intricate Victorian cornices and wall panelling, along with an Italian fireplace, create an enchanting atmosphere. The room's pièce de résistance is the expansive stone mullioned window, spanning the room's width and offering panoramic views of the private drive, gardens, and the tranquil lake.

For those seeking solitude or a cosy retreat, the south-facing lounge is a haven of comfort. Sunlight filters through wraparound windows, casting a warm glow upon the generous seating arrangements. This lounge also features its own kitchen, a convenient enclave for crafting tea and coffee, ensuring guests need not venture to the

main kitchen.

The secluded orangery, a sanctuary of its own, provides a vantage point for observing the distant mature woodland and the playful wildlife that graces the scene. Meanwhile, the capacious main kitchen boasts modernity and style, equipped with ample provisions for up to twenty-four guests, this culinary haven seamlessly marries practicality and aesthetics.

Ten uniquely adorned bedrooms grace the estate, each featuring en-suite or private bathrooms. The harmonious blend of Victorian intricacies, fireplaces and ceiling embellishments and contemporary comforts, new beds and drapery all creates an inviting haven. Every bedroom boasts its own character, accentuated by floor-to-ceiling curtains that infuse vibrant hues into each space.

As for the natural splendour of the grounds, the Victorian walled garden, with its original greenhouses, stands as a testament to history and ambition. Meanwhile, the extensive wooded expanse enveloping Thistlebrook Hall offers a majestic retreat, teeming with diverse wildlife including deer, otters, herons, and red squirrels, bestowing guests with a slice of unspoiled paradise.
