Location & Local Information

Villa Adil is one of four fabulous new build properties in the residential area of the lively resort of Hisaronu. Just under a sixty-kilometre drive from Dalaman International Airport through the Turkish countryside will take you to your holiday home. The villa is perfectly situated betwixt and between the bustling town of Fethiye and the desirable resort destination of Oludeniz, both only fifteen minutes away. For holiday provisions, local shops and restaurants are a short walk away. Hisaronu is home to a host of supermarkets, cafes, bars, and restaurants, a busy nightlife, and some super souvenir shops too.

Take a short drive down to Oludeniz, where you will find one of the world’s best blue flag, golden sandy beaches, the iconic and much-photographed blue lagoon and spit, offering a selection of adrenalin-inducing water sports. In the evening, the town comes alive with buzzing seashore restaurants and bars and a chance to indulge in some exclusive shopping. From Oludeniz, you can hop aboard a water taxi to Butterfly Valley or cross the sea to Gemile Island. For the thrill seekers, head up the hill and take the cable car to the top of Mount Babadag, and paraglide back down to Oludeniz beach.

For shopping and the city, Fethiye is your go-to destination, a harbour town with yachts moored the length of the coastline, home to an ancient amphitheatre, a historical museum and rock tombs, and an embarkation point for the obligatory Twelve Island boat trip. There is a foodie-heaven fish market, souvenir shops selling your favourite designer brands, and a local Tuesday market.
