Location & Local Information

Villa Esin is one of four contemporary new-build properties located in a residential area of the vibrant resort town of Hisarönü. Just a sixty-kilometre drive from Dalaman International Airport through picturesque countryside, the villa enjoys a prime position between the bustling harbour town of Fethiye and the sought-after coastal resort of Ölüdeniz, both only fifteen minutes away. Local shops and restaurants are within walking distance, while Hisarönü itself offers supermarkets, cafés, lively bars, restaurants, and a selection of souvenir shops.

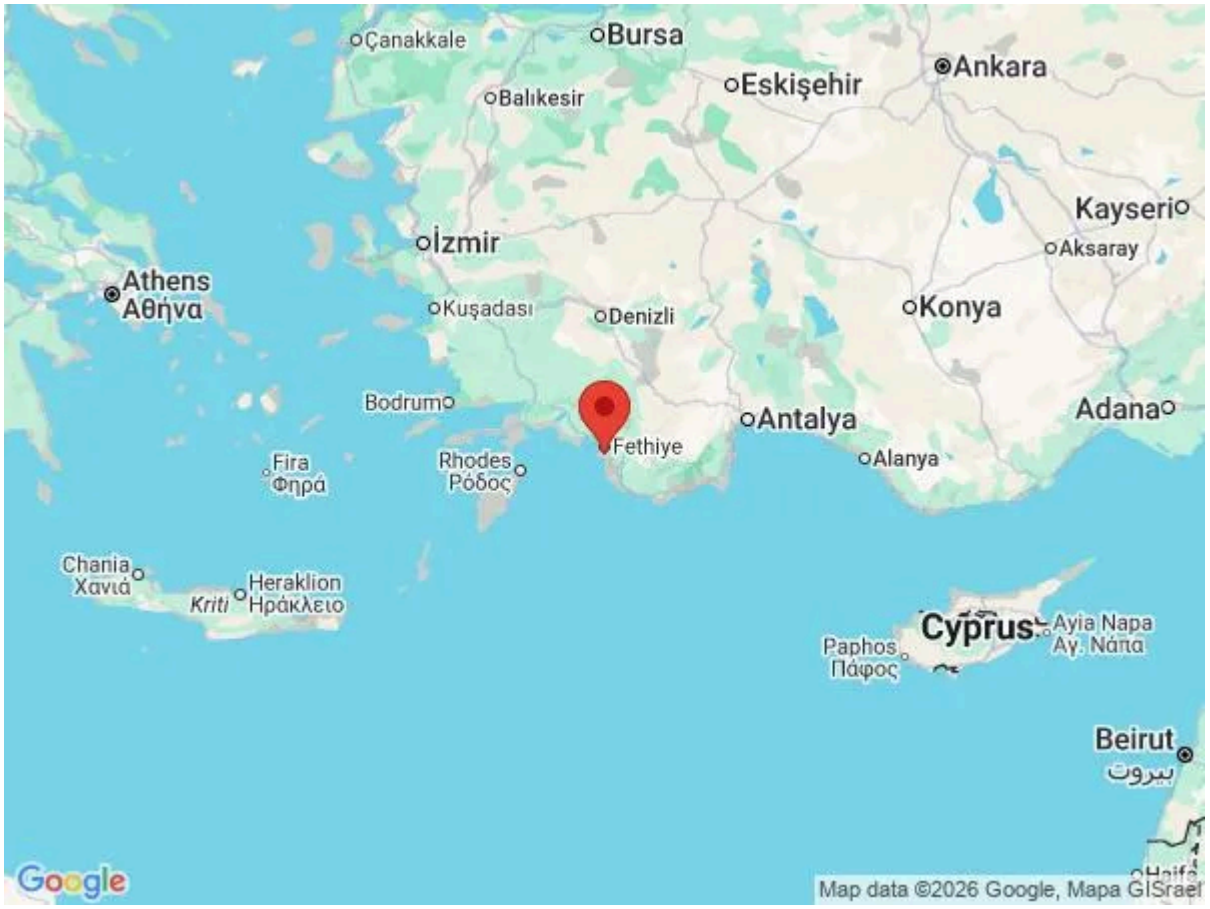

A short drive brings you to Ölüdeniz, home to one of the world's most renowned Blue Flag beaches. Its golden sands, iconic turquoise lagoon, and scenic spit provide a hub for exhilarating water sports. In the evening, the seafront comes alive with stylish restaurants, buzzing bars, and boutique shopping. From here, you can catch a water taxi to Butterfly Valley or explore Gemile Island. For thrill seekers, the cable car to the summit of Mount Babadağ offers panoramic views and the chance to paraglide back down to the beach.

Fethiye offers a more urban experience, with its historic amphitheatre, rock tombs, and harbour filled with moored yachts. The town hosts the popular Twelve Island boat tour, a bustling fish market, designer-inspired shops, and a lively Tuesday market.

Culture and nature lovers can explore ancient ruins and discover the region's flora and fauna along the scenic Lycian Way.
