What we love

- Apartment Frosty's prime position in Courchevel Village, just 100m from the Grangettes cable car makes for easy access to the slopes.
- The apartment has excellent year-round appeal: ski adventures in winter, hiking and biking trails in summer
- The two ski lockers with boot dryers and covered parking spaces ensure a hassle-free stay.

What you should know...

- The property's mountainous location may pose challenges for individuals with mobility issues. Care should also be taken when walking to the lifts in the height of winter
- Young children should be supervised at all times when outside on the balcony
- Courchevel Village is slightly quieter than 1850, therefore ideal for families looking for relaxation but with a calmer après-ski scene.
- Please note that the bunk room is only suitable for children due to the size of the beds
