Overview

Apartment Grand Solleit offers a smart and welcoming base in the prestigious Carré Blanc residence in Courchevel Village. Set on the seventh floor, it brings together warm Alpine character and modern practicality, creating a comfortable retreat for guests looking to stay close to the slopes. Soft natural tones, light timber and thoughtful lighting give the interior a relaxed feel, while the open plan layout keeps the space sociable after a day on the mountain.

The living area is designed for effortless downtime, with a cosy seating corner and doors that open onto a balcony with open mountain views. The adjoining dining space and fully equipped kitchen make mealtimes easy. Useful additions such as a Nespresso machine, raclette set and fondue pot mean you can enjoy simple evenings at home as much as time out in the village.

The apartment sleeps four guests across two bedrooms. The main bedroom features a generous double bed, built in storage, a safe and its own ensuite shower room. The second bedroom offers twin beds that can be set up as a double if required and sits next to a separate bathroom with a bathtub. A separate WC completes the layout.

Guests staying at Apartment Grand Solleit have access to excellent shared facilities within the residence. These include a fitness room for daily workouts and a wellness space offering treatments and a sauna for an additional fee. Two underground parking spaces and a private ski locker add convenience throughout your stay. With the pistes only twenty metres away and the Grangettes lift a short walk from the door, the apartment is an easy choice for those wanting quick and simple access to the Three Valleys.
