What we love

- We loved the luxurious and homely interior of Apartment Émerveiller
- It was wonderful to be able to make use of the residence's wellness facilities, which include a heated outdoor swimming pool, jacuzzi, sauna and hammam
- The apartment's location right at the heart of Les Arcs made it easy to access the slopes, restaurants and bars.

What you should know...

- The convertible sofa bed in the lounge area sleeps up to two guests, taking the apartment's maximum occupancy to 8.
- Being right in the heart of the resort means you're close to all the action, but it also brings some lively village noise, especially during peak times.
- While many amenities are close by, during very busy periods restaurants and shops may be fully booked therefore reserving your table in advance is a good idea.
