

Apartment Frais

Region: 3 Valleys Sleeps: 11

Overview

Apartment Frais offers a bright and well designed base in the centre of Courchevel Village, giving guests immediate access to the slopes and the convenience of a modern residence. Set across 185 square metres and arranged over two floors, the apartment comfortably sleeps up to eleven people in five bedrooms, making it a strong option for families or mixed groups seeking a practical and comfortable space with straightforward access to the Three Valleys.

The main living area sits on the ground floor and provides a warm and relaxed setting after time on the mountain. Large windows draw in natural light and the combination of pale wood, stone and soft furnishings creates a low key Alpine atmosphere. There is plenty of seating, a dining area for group meals and a fully equipped kitchen with quality appliances including ceramic hobs, a dishwasher and fondue equipment. A glass floor above the living area forms part of the upper level and adds a distinctive architectural detail.

Four double bedrooms come with en suite facilities and the children's room features three single beds with its own bathroom, giving each guest practical comfort and privacy. Two furnished terraces extend the living space outdoors, one of which is a south facing twenty five square metre terrace with open views across Courchevel.

Guests also benefit from two indoor parking spaces and access to the residence's shared wellness area with a fitness room, sauna and hammam. Treatments are available at the spa for an additional charge. Skis and equipment can be stored in the private ski locker, and the Grangettes lift and Proveres piste are only moments away, allowing very quick access onto the mountain each day.
