The middle level opens up to a generous lounge and dining area with ample, comfy seating arranged around a wood fireplace. The open-plan design seamlessly connects to a fully fitted kitchen, boasting a gas stove, three electric ovens, and a double door fridge/freezer. A casual bar counter with a wine fridge adds a touch of sophistication, making it an ideal spot for pre-dinner drinks.

On the top level, the master bedroom boasts a king-size bed, an en-suite bathroom with both a shower and bath, and a walk-in closet. The private deck offers sweeping ocean and mountain views, creating a haven of relaxation. Two additional bedrooms on this level provide comfortable accommodations in their own right, both with the same high-end decor and furnishings as the master, and each with its own en-suite bathroom and distinctive views. The lower level surprises with a fully equipped two-bedroom apartment, complete with a modern kitchen, lounge with a 65" 4K TV, and access to a spacious garden with mountain vistas. This level also houses modern conveniences, including a solar-powered central heating system, a backup power system, and a robust security system.

Step outside to the captivating outdoor oasis, where a serene swimming pool invites you to cool off, and a tanning deck beckons sun worshippers. The firepit lounging decks are perfect for evening gatherings,

offering more of those breathtaking ocean and mountain views, while the well-manicured garden, complete with a Weber BBQ and wood-fired pizza oven, creates an enchanting backdrop for al fresco dining.
