What we love

- The villa is a short drive to some of the highlights of Tenerife - think national parks and some of the best beaches on the island!
- Kick back next to the private pool and top up your tans on not one, but two sun terraces at this property!
- A beautifully maintained garden, a terrace, and a backyard means guests are spoiled for choice when it comes to luxurious outdoor space

What you should know...

- There is no safety fence around the pools, so younger children should be supervised
- A ramp connects the two exterior terraces, however this is a multi-level property that may not be suited to guests with reduced mobility
