

Apartment Bouquetin

Region: 3 Valleys **Sleeps:** 8

Overview

Situated in the lively Méribel Center, Apartment Bouquetin is a modern three-bedroom duplex apartment that accommodates eight guests. It's located in the heart of the Les Allues valley — boasting 600 kilometres of pistes and three lush interlinked valleys, famous among winter sports enthusiasts. Its enviable location means you're in the middle of all the action in the main village.

Spread over 62 sq. m., the apartment is a stylish mix of modern interiors with rustic details. Built on natural and traditional materials like stone, wood and lauze, the architecture offers the trademark charm of the holiday homes of Méribel.

The living room located on the ground floor has high ceilings and is decorated with an interplay of white, grey and blue tones. It offers direct access to the garden-level terrace, from where you can catch pine trees looking over the endless Alps.

Attached to this is the fully-equipped kitchen. Sleek black and grey cabinets perfectly contrast the whimsical 4-seater dining table with three-trunk seats. A blender, coffee machine, dishwasher, fondue appliance, freezer and fridge are available.

There is also a cabin bedroom on the ground floor. Bathed in white with sparse furniture, the double bedroom and TV offer a clutter-free space. There is also an independent bathroom on this floor.

Up a short flight of wooden stairs is the first floor, where you can find another cabin bedroom with a double bed and a chest of drawers for all your winter wear. The chic en-suite bathroom with grey and white walls has a shower, a towel dryer and a single sink. Next to this is another cabin with two wooden bunk beds, enough for four children. A colourful independent bathroom is also provided.

Other essentials like a ski locker and wifi are included. For guests coming in the winter, the bedrooms are impeccably made up before arrival by the staff at Apartment Bouquetin. High-end bathroom products, towels and sheets are also provided.
