Overview

Welcome to Maison Opale Bleue, a well-situated villa in a renowned seaside resort on the Gulf of Morbihan that is as cosy as it is chic. This spacious five-bedroom holiday house comfortably accommodates up to 10 guests.

Stepping into the villa, you are met with an elegant light-filled foyer. The ground floor then unfolds into a tastefully designed living area where sleek wooden furnishings and comfortably stylish sofas invite guests to relax and take in the floods of light streaming in through panoramic windows. The living room seamlessly transitions into a well-appointed dining space where an elegant table waits for the feasts and long conversations enjoyed by family and friends.

The fully-equipped kitchen, adjacent to the dining area, boasts modern amenities and a large kitchen island providing ample space for culinary enthusiasts to enjoy, whether it's whipping up a summer salad or a gourmet meal.

The ground level is also home to the first of five well-appointed bedrooms, including a queen-sized bed and sophisticated rattan décor. On the upper level, there are four more bedrooms, two of which feature queen-sized beds, while the other two come complete with two single beds each, perfect for families travelling with children. And far from shirking on vanity space, Maison Opale Bleue also has three tastefully designed bathrooms, each with their own idiosyncratic tiling and thoughtful amenities.

However, the villa's expansive outdoor area is its true pièce de resistance. Complete with a well-manicured garden and invitingly turquoise pool, the terrace space includes a beautiful rattan-furnished seating area as well as a large alfresco dining setting. This stunning south-facing terrace and garden wraps around the villa, providing pleasant views of lush greenery.

Situated in the captivating locale of Carnac beside the Gulf of Morbihan on the southwest coast of Brittany, Maison Opale Bleue provides not only a comfortable retreat but also easy access to the historical wonders and scenery of the region. Enjoy coastal hikes with stunning views, try kayaking or sailing, and indulge in delicious seafood at waterfront restaurants.

Location & Local Information

Situated on the southwest coast of Brittany in a well-known bathing resort a short walk from the sea, Maison Opale Bleue is a true gem of relaxation and rejuvenation. Local amenities and sights are within easy reach, including a supermarket and a selection of restaurants, bakeries, cafes and even a casino.

The town of Carnac itself is famous for the Carnac Stones, one of the most extensive Neolithic standing stone collections in the world - think of a sprawling Stonehenge set out in neat rows like granite vineyards. These Neolithic structures and their surrounds provide a fantastic setting for exploration on foot or by bike.

Located as it is on a narrow peninsula, the area is home to five sandy beaches, each as nice as the last and within easy access from Maison Opale Bleue. The local golf course allows for a scenic day on the links.
