An adjacent dining room with exit to the terrace makes entertaining large and hungry groups a breeze whether you're sitting down to a meal inside or al fresco.

The adjoining kitchen is a sleek and modern affair, complete with all the amenities you could need, including a kitchen island and bar-top so the cooks can stay social. ## Location & Local Information

Situated in a quiet, residential area with ample access to conveniences within a short driving distance. The local grocery, bakery and restaurant are within a 5-minute drive from the villa. The closest sandy beach (Saint Suliac) is a mere 20-minute drive away, but that is only the beginning of the nearby attractions.

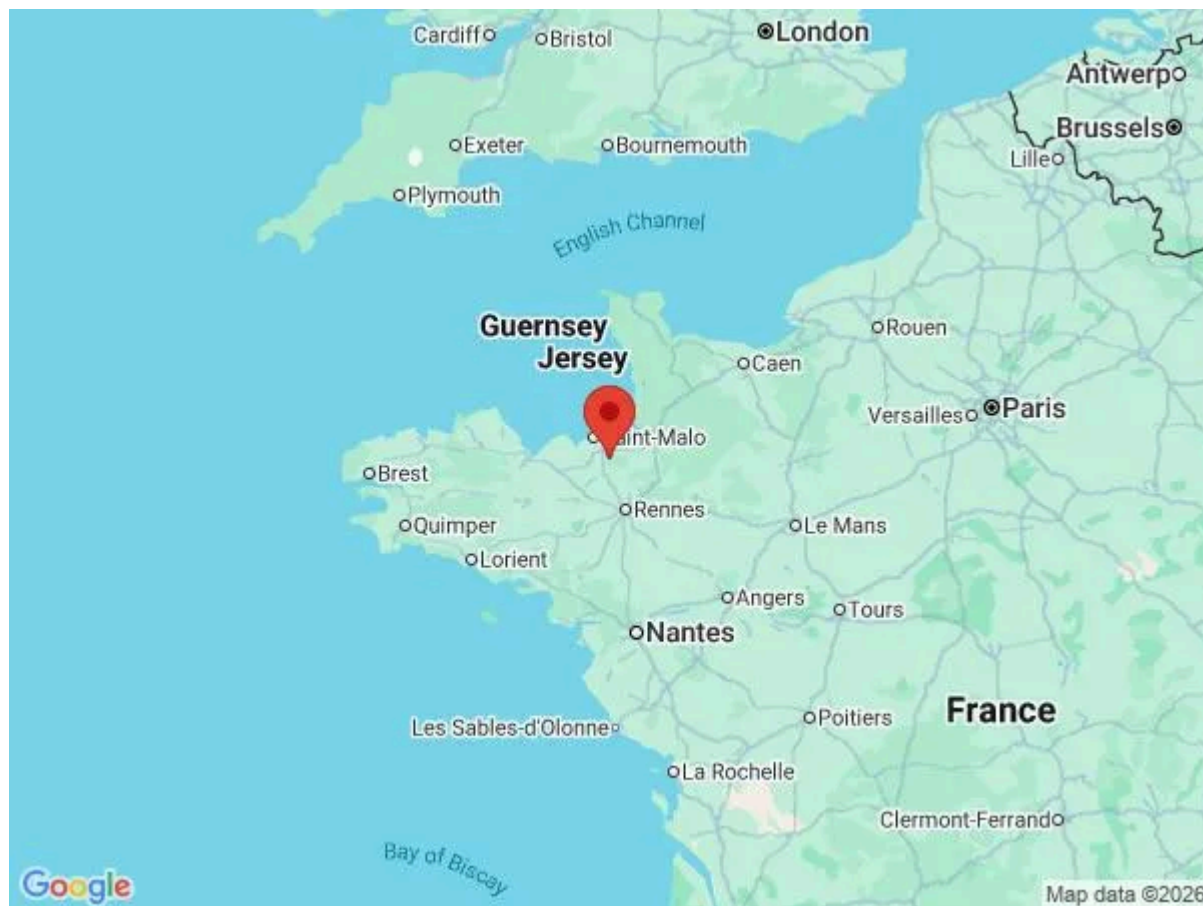

The historic port city of Saint Malo, known as the Corsair City and the setting for the novel and Netflix series "All the Light We Cannot See", is only a 32-minute drive. This historical gem enjoys a privileged position on a rocky peninsula. The walled city is dominated by an impressive castle and the enchanting "Intra Muros" route which you can take around the ramparts of the old town.

But Saint Malo isn't the only interesting town nearby. Across the harbour from Saint Malo you'll find the beautiful Dinard (30 minutes), known for its Belle Epoque villas. The picturesque Cancale (30 minutes) is known for its seafood, particularly oysters and shellfish. From Cancale you can also see the marvellous Mont Saint-Michel (37 minutes) across the bay.

Given this proximity there is no shortage of beaches at your disposal, but nor is there a shortage of activities. There's the Saint Malo's thermal baths (30 minutes), and in the sports harbour of Saint Malo itself you'll find all manner of water-based activities: sailing, jet skiing, kitesurfing, fishing, kayaking, paddleboarding and scuba diving.
