What we love

- The apartment is only a short walk from the snow front, making mornings on the slopes effortless.
- Each bedroom benefits from its own ensuite bathroom, adding comfort and privacy for every guest.
- Practical features such as a ski locker and laundry facilities help keep gear organised throughout the stay.

What you should know...

- The children's bedroom is best suited to younger guests due to its set up. When the pull out bed is set up, the floor space is reduced in the children's bedroom
- Please note that the apartment is located near a main road, therefore some noise from the street level can occasionally be heard
- The residence and the surrounding Courchevel 1650 area is quiet and relaxed compared to Courchevel 1850, so it may not be the best fit for groups seeking late nights or lively après-ski at home.
