Location & Local Information

Located on the coast of Benissa, Villa Vitamina offers convenient access to several local points of interest. Cala Baladrar is approximately 700m from the property, providing a nearby spot to enjoy the shoreline and Mediterranean surroundings. Within 500 metres of the villa, guests will find a selection of bars, restaurants, and a large supermarket.

The town of Moraira, situated about 4 km from the property, is well known for its clean beaches, relaxed atmosphere, and well-preserved coastline. Visitors can explore several sandy and rocky beaches, a marina, and a small historic centre featuring a 16th-century watchtower. Moraira also offers a variety of dining options, from casual cafés to restaurants specialising in regional seafood dishes. We recommend Restuarante El Chamizo for amazing food, a nice atmosphere, and gorgeous sea views. The town’s weekly market provides an opportunity to browse local produce, crafts, and other goods.

Additionally, the larger coastal town of Calpe is located about 10 km away. Calpe is recognised for its prominent landmark, the Peñón de Ifach, a large limestone rock that forms part of a protected natural park and offers hiking opportunities with panoramic views. The town also features long sandy beaches, a fishing port, and a wide range of shops and restaurants, making it another accessible destination for day trips from the villa.
