Overview

Welcome to Melitta Villas in picturesque Istria, Croatia. This sprawling compound set on 11,000m² of scenic countryside consists of three separate but equally inviting villas. This exquisite 15-bedroom complex effortlessly accommodates up to 36 guests in the epitome of Istrian allure.

Each villa has its own spacious living and dining areas, fully equipped open-plan kitchen, outdoor wood-burning barbecue, al fresco dining setting and stunning swimming pool.

The first villa consists of five bedrooms, all with king-sized beds. The master bedroom boasts an ensuite and a pergola-covered terrace with sun loungers. The other four bedrooms come complete with ensuite, and two additional single beds can be available for large groups.

Much like the first villa, the second villa also boasts five bedrooms with king-sized beds and ensuites. In this case, the master bedroom has direct access to a large terrace and hot tub. A second bedroom in this villa boasts another terrace with its own sun loungers. In the living room a further two single beds are available.

In the third villa, the outlay of king-sized beds and ensuites continues. The upstairs master bedroom here features its own large veranda, while the ground floor master bedroom overlooks the vineyard. The games room and a sofa bed for two adults can also be found in this villa.

Each villa is set on a 2,000m² plot surrounded by a private forest area, including walking trails and various seating areas. But that is only the beginning of Melitta Villas' fantastic range of facilities. Beyond each villa's jacuzzi, swimming pool and terrace, guests can access a private

fitness and spa house featuring exercise equipment and a sauna.

When it comes to games, there is no shortage either. There's a volleyball and badminton court, a bocce (pétanque) court, and the compound's golf pitching, chipping and putting practice green for anyone looking to keep their game up while on holiday.

These fun and impressive communal spaces provide the perfect backdrop for socialising and creating lasting memories. Melitta Villas is not just a holiday destination, it's an immersive experience where resort-style luxury meets private authenticity. Whether you're seeking a tranquil escape or a vibrant gathering, this 15-bed retreat in the Istrian countryside promises an unforgettable stay.
