What we love

- Set within a leafy tropical setting near the waterside of Fisherman's Village on Koh Samui, this elegant four-bedroom residence offers expansive interiors, a private 12-metre infinity pool and sweeping sea views.
- With its open-plan living, floor-to-ceiling glass doors and a seamless indoor/outdoor flow, the villa blends modern comfort with relaxed island ambience.
- Just minutes from the beach and local dining in Bophut, the property combines privacy and convenience, ideal for a refined group getaway.

What you should know...

- Guests should take care around the infinity pool, which features an open edge and may be unsuitable for unsupervised children.
- The property's hillside setting includes steps and uneven outdoor surfaces that could pose a slip or trip hazard, particularly after rain.
- Due to its elevated coastal position, occasional insects and tropical wildlife may be present around the garden and terraces.
- Please note that as majority of Koh Samui seaside experiences natural high and low tides, and as the section of beach where the Dhevataras Residences are located is particularly rocky, this part of Bophut Beach can become non-walkable at times, when the shoreline is temporarily covered by waves.
