What we love

- We love the seamless flow of indoor-to-outdoor living at Baan Bua Sawan.
- The whole family will enjoy making use of the private infinity pool - the shallow end was perfect for the kids!
- It's wonderful to be located just a short distance from the beach, and within easy distance of shops, restaurants and bars.

What you should know...

- One of the bedrooms features twin beds and may therefore be better suited to friends or siblings sharing.
- The villa is located just a 10 minute drive from the popular Fisherman's Village.
- Please note that as majority of Koh Samui seaside experiences natural high and low tides, and as the section of beach where the Dhevataras Residences are located is particularly rocky, this part of Bophut Beach can become non-walkable at times, when the shoreline is temporarily covered by waves.
