What we love

- Set on three lush acres beside the beach, this villa combines traditional Thai teak pavilions with modern architecture to offer a spacious and comfortable retreat.
- With nine en-suite bedrooms, indoor and outdoor pools, a private tennis court and a full staff including a chef, the villa is designed for large groups seeking a blend of luxury and privacy.
- Located just steps from the sand and within easy reach of cafés, boutiques and the island's vibrant local culture, the villa presents both tranquillity and convenience in one setting.

What you should know...

- Please be cautious around the infinity pool and beachfront edge, younger children should always be supervised as the drop to the sea may not be clearly fenced.
- The villa's lush grounds and tropical setting may attract insects and small wildlife typical of the island environment, bringing repellent and checking shoes for critters is advised.
- As the property is set in a tranquil, beachfront location, access to shops and nightlife is limited so guests should plan food, drink and essentials in advance.
