

Chalet Moudon

Region: Portes du Soleil Sleeps: 8

Overview

Chalet Moudon is an elegant alpine home set over three floors in a peaceful residential corner of Les Gets, just 450 metres from the Perrières ski lift. Designed for groups of up to eight, it offers generous living spaces, four en-suite bedrooms, and a warm, refined interior that blends comfort with style.

The top-floor living space is the heart of the chalet, where a vaulted timber ceiling, panoramic windows and mountain views create an inviting alpine atmosphere. Guests can unwind on plush sofas beside the wood-burning stove, enjoy film nights on the Smart TV, or share meals at the dining table, with a fully equipped kitchen and breakfast island close at hand.

Each of the four bedrooms features a king-size bed and en-suite bathroom—two with walk-in showers and two with bathtubs—offering flexibility for friends or families. Outside, a sun terrace with barbecue and private Jacuzzi provides the perfect spot to relax after a day in the mountains.

Additional features include a ski room with boot warmers, parking, underfloor heating, and concierge services including private chef, massage, grocery delivery and childcare. Chalet Moudon is just a short walk to the slopes, with the village centre around two kilometres away, offering easy access to Les Gets' shops, restaurants and year-round activities.

What we love

- Chalet Moudon is an inviting home within a complex of Swedish-style chalets which are built from repurposed wood and aim to be carbon neutral to protect the environment.
- The house offers four bedrooms with en-suite bathrooms, making it the perfect retreat for a group of couples or a family.
- For a touch of luxury, you are able to book a private chef for breakfasts, half board catering or special meals.
- There is a supermarket and a few small shops near the house, with a larger selection and the ski slopes in the centre of Les Gets town 1.5km away.

What you should know...

- The private parking area can be tight. Large SUVs will fit, but careful manoeuvring is essential.
- While the chalet is walkable to the village, the return uphill route may feel longer, especially in snowy conditions.
- The house is kept cosy with a centralised heating system which you will not be able to control yourself.
- As the home has exposed woodwork, you should be careful of splinters.
