What you should know...

- The homeowners ask that guests keep noise to a reasonable level in order to preserve the peaceful environment
- As the Grands Montets ski area is located 700 m away, you will need to walk to the slopes in the morning, which may not be ideal for those travelling with younger guests
- The village of Argentière is peaceful and does not have a lively après ski scene, guests looking for après ski bars may wish to consider other parts of the valley or resorts.
