What we love

- Apartment Joux is a newly-built apartment which lies 1.5km away from Argentière in the French Alps, in close proximity to the nearest ski slopes
- Four to six guests can be accommodated here comfortably as there are two bedrooms and an additional sofa bed on the mezzanine level
- The home offers a lovely balcony with stunning mountain views, the ideal space for your morning cup of tea on the outdoor sofa
- The apartment is well-placed for accessing the village of Argentière which is 1.5km away and the town of Chamonix which only 7km away

What you should know...

- Guests should be aware that there are no windows in one of the bedrooms
- While the apartment can accomdate up to 6 guests, the best and most comfortable configureation would be maximum 4 adults and 2 children, due to the size of the bunk bed and general layout.
- The stairs up to the mezzanine level are quite steep, please take care when heading up there
- There is parking on site for your car, but there is a train station in Argentière so you can also head to Chamonix on the train, meaning a car is not necessary
- There is a bus stop just outside the residence, therefore getting to the slopes is very easy, dispite being around 1 km away
