What we love

- Villa Nikoah has a prime location, set in the heart of the Tivat Riviera with easy access to both coast and countryside and sweeping views of the Bay or Kotor.
- The surrounding area is rich with things to explore – from the Maritime Heritage Museum to the walking trails of Vrmac Peninsula Nature Park.
- The UNESCO-listed town of Kotor is only a 30 minute drive away, with medieval architecture, local cuisine and shops to exlore!

What you should know...

- A car is recommended in order to explore the surrounding area and for visiting nearby shops and restaurants.
- The pool is unfenced so young children should be supervised at all times.
- All bedrooms are upstairs, and the exterior grounds are built across different levels, which may not be suitable for those with mobility issues.
- While Tivat offers a vibrant atmosphere year-round, be mindful of seasonal variations that may affect your experience.
